3 BEDROOM, 2 BATH, APPROX. 1,244 SQFT.

This model has a little of everything you'll want in a home. A Lanai, separate Master Suite wing, Walk-in Closet, loads of storage, an angled Kitchen and secured indoor Laundry. The Pass-Thru opens to the Living and Dining area for entertaining possibilities. The Master Suite has the vanity area detached from the Bath area to allow for more efficient dressing and bathing activities. This model has surely blossomed and brings many attributes and excellent design elements to you in an affordable package.
