NOHONA Dwelling

TWO-STORY
3 Bedroom, 2.5 Bath
1625 Square Feet
Overall Dimensions: 36' x 56'

The obvious attributes of the Nohona include its generous living spaces, large dedicated family room, and roomy kitchen. The living room alone boasts nearly 280 square feet, perfect for family get-togethers. However, the real gem is beneath the house when you may easily add on more bedrooms, a recreation room, or simply add to the living area. This model offers comfort and flexibility for future expansions.
