HALENANEA

Tranquil Home

3 Bedroom, 2 Bath
1200 Square Feet
Overall Dimensions: 32' x 54'

A long time favorite, the Hale Nanea now has a classic kitchen look. The angled shape of the island will be the site of many meals and allows food prep to be closer to the sink. The master bedroom now sports a full-sized shower rather than a bathtub. The Hale Nanea is chosen frequently for its size, amenities, and good looks.
