3 BEDROOM, 2 BATH, APPROX. 1,200 SQFT.

You could do star gazing just off the Dining Room or just rock away the cool nights or share a sandwich and drinks with a friend on your Deck. Not for crowds, just an intimate few. This model is truly one of the Stars of the Model Collection and has an excellent floor plan featuring one of the largest Kitchens in its class complete with Pass-Thru and Pantry. The Dining Room is situated in such a way as to be considered “away” from the Living Room and Kitchen spaces. You’ll love what you can do with that attribute. Enter your Kitchen directly from the two car Carport. Efficient, charming and designed to be a “Star”.
