MODEL 2758

O'AHU

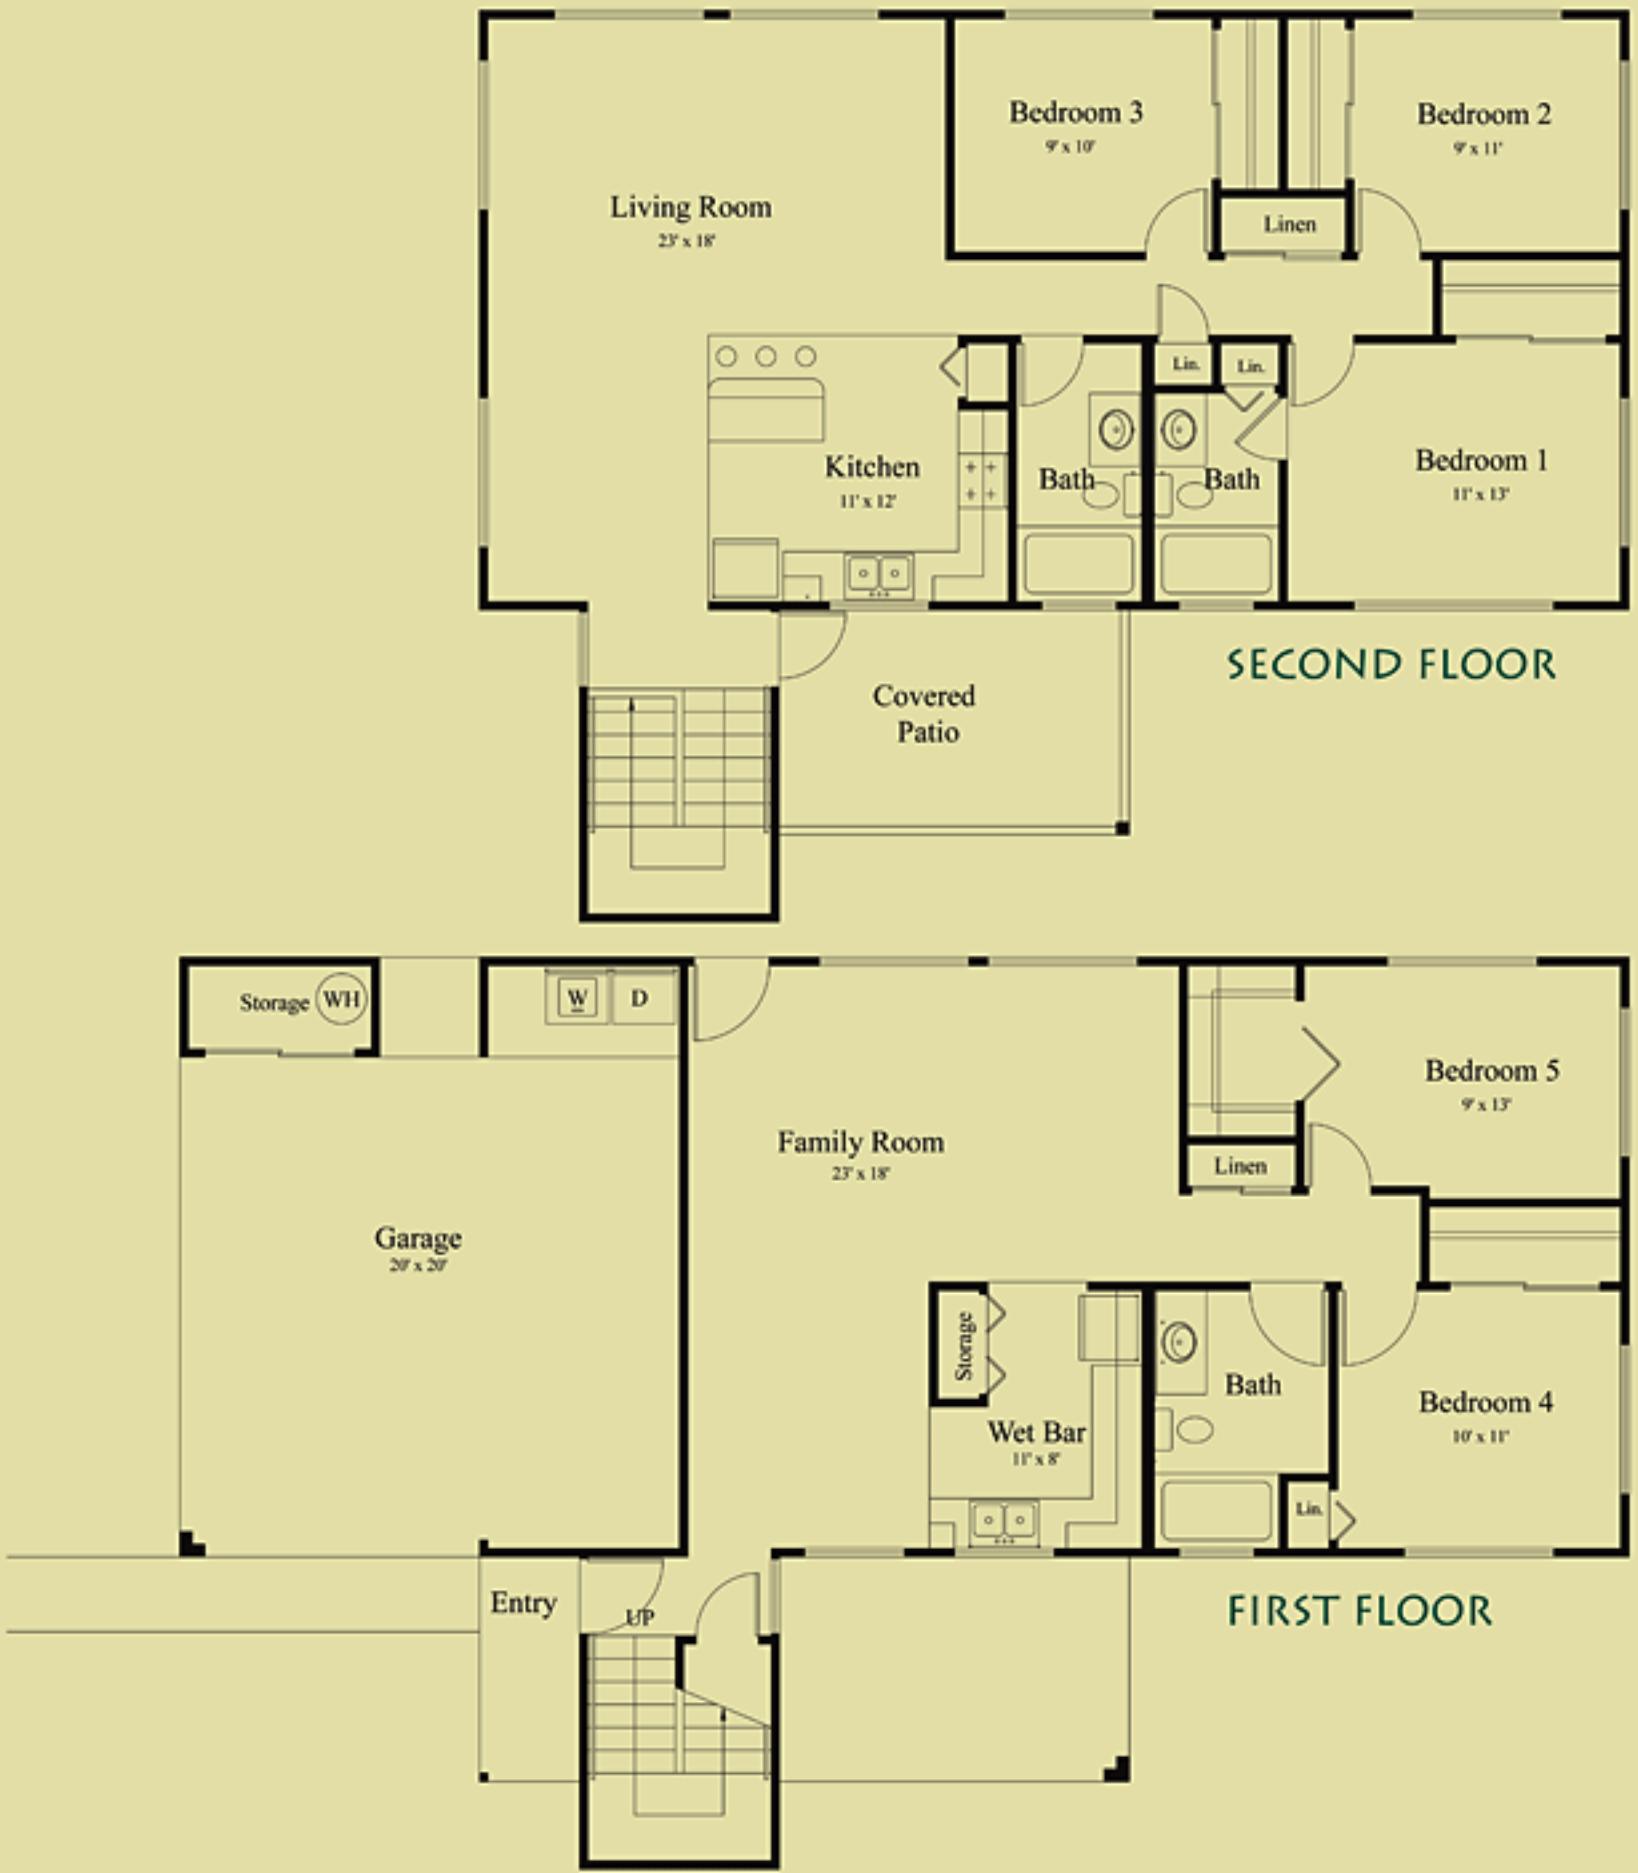

"The Gathering Place"

The "O'ahu", our flagship model, features attractive architectural elements, excellent window placement and an attractive full hip roof line.

On the interior, the first floor offers the extended family or senior members of the family a spacious stand-alone living space. Hallways, doors, and bathroom are sized and configured to accommodate a wheelchair.

The second floor boasts 3 roomy bedrooms, 2 full bathrooms and generous closet spaces. The living room is spacious and the convenient kitchen layout will please any homemaker. The balcony off the 2nd floor gives the living area a subtle release to the outside.

The "O'ahu" will offer any large, growing or extended family ample room to entertain, raise children or just enjoy the comfort of this large and safe home.
