'OHANA

The Family

3 Bedroom, 2 Bath
1000 Square Feet
Overall Dimensions: 30' x 41'

The 'Ohana floor plan offers excellent interaction among family members, as the kitchen, dining, and living room areas are within close proximity. This model features its own master bedroom and bath suite, providing quiet time away from a growing family. The remaining bedrooms are sized just right and share a convenient bathroom. This model offers an excellent opportunity for expansion into more bedrooms or living area. This home is about 'Ohana.
