

# SOLUTIONS

## FOR ALL YOUR FLOORING NEEDS

Professional builders have used Trus Joist engineered lumber products from Weyerhaeuser since the 1970's to build homes in Hawaii. Known for quality and ease of installation, TJI® joists are lightweight and easy to install saving time and money. For peace of mind, all Trus Joist products are covered by limited lifetime warranties. Backed by local distribution and available statewide, builders benefit from quick delivery and local technical support.

Honsador Lumber and Weyerhaeuser, the perfect combination to offer the solutions you need for your next project.
